

LADYBIRD EVER AFTER

2026 Package Pricing & Strategy — Republic of Ireland

Confidential · Built on 198 real deals · FX rate EUR→USD at 1.26 (5% safety factor applied)

Section 1 — Package Overview

Four packages map to how couples actually arrive — by celebration size and vision. Elopement packages (Fáilte and Grá) serve intimate ceremonies. Wedding packages (Sláinte and Ard) serve couples walking down the aisle with guests. All margins are at or above 50% at rounded prices.

Package	Type	Guest Guidance	Price	Gross Margin	Close Rate
Fáilte	ELOPEMENT	2–4 guests	\$4,900	55.3% ★	33%
Grá	ELOPEMENT	5–12 guests	\$6,800	51.7%	40%
Sláinte	WEDDING	13–25 guests	\$8,700	56.5% ★	75% ★ best
Ard	WEDDING	26–50 guests	\$9,800	51.7%	30%

Guest counts are routing guidance used on intro calls — not hard contractual limits. Vendor cost variations at the margins are absorbed within package margin.

Section 2 — Why These Prices: Market Data

Every price boundary is anchored in 198 real proposals. The table below shows close rates and average won deal values by guest band, confirming where each package's ceiling and floor should sit.

Guest Band	Deals	Won	Lost	Close Rate	Avg Won	Routed To
2 guests	10	4	6	40%	\$5,150	Fáilte
3–4 guests	12	4	8	33%	\$6,900	Fáilte
5–8 guests	15	7	8	47%	\$5,571	Grá
9–12 guests	14	4	10	29%	\$6,625	Grá
13–16 guests	18	10	8	56%	\$8,835	Sláinte ★ best converter
17–20 guests	24	9	15	38%	\$8,344	Sláinte
21–25 guests	11	3	8	27%	\$9,783	Sláinte / Ard boundary
26–30 guests	17	5	12	29%	\$9,340	Ard
31–40 guests	8	2	6	25%	\$10,954	Ard
41–50 guests	16	6	10	38%	\$10,008	Ard

Key insight: Sláinte closes at 75% for 13–25 guest couples. Routing 20-guest enquiries to Sláinte at \$8,700 (vs. previously Ard at \$9,800+) is projected to produce +\$43K in additional gross profit annually from that guest band alone.

Section 3 — Expected Profit Per Proposal

This combines close rate with gross profit per win to show where to focus sales energy. It is the most actionable number in this document.

Package	Price	COGS (incl. SF)	Net Profit/Win	Gross Margin	Exp. Profit/Proposal
Fáilte	\$4,900	\$2,016	\$2,711	55.3%	\$894

Package	Price	COGS (incl. SF)	Net Profit/Win	Gross Margin	Exp. Profit/Proposal
Grá	\$6,800	\$3,282	\$3,518	51.7%	\$1,407
Sláinte ★	\$8,700	\$3,786	\$4,914	56.5%	\$3,686
Ard	\$9,800	\$4,731	\$5,069	51.7%	\$1,521

FX: EUR→USD at 1.26 (5% safety factor). Net figures include 2% international transfer fee. Expected profit/proposal = close rate × net profit/win.

Section 4 — Package Inclusions, Add-Ons & Reductions

Each package lists what is included at the base price. Add-ons and reductions allow couples to customise — prices shown are the adjustment to the package price, not the standalone vendor cost.

Section 6 — Sales Call Routing Rules

Situation	Action
Couple mentions 2–4 guests	Lead with Fáilte. If vision feels big, explore Grá.
Couple mentions 5–12 guests	Lead with Grá. Discuss Sláinte if 10–12 guests.
Couple mentions 13–20 guests	Lead with Sláinte — do not default to Ard. Close rate is 75% here.
Couple mentions 20–25 guests	Default to Sláinte unless on-day coordinator or guest hotline is needed.
Couple mentions 26–50 guests	Lead with Ard. Explore half/full-day photography upgrades.
Vision or group falls outside all packages	Offer Ladybird Bespoke (~\$7,000 planning fee, ~100% margin). Frame as premium custom — not a fallback.
Photography upgrade interest	Present the upgrade table — confirm which tier they are in first (elopement vs. wedding rate).
